1. Attention is directed to the provisions of Standardized Government Allowance Regulations that stipulate that no Quarters, Post, Special Post, or Separation allowances shall be paid for the 365th and 366th day of any fiscal year.

2. In view of this provision none of the above allowances will be paid to employees for June 30, 1949 which is the 365th day of this fiscal year. On the payroll for the period which includes June 30, 1949 a deduction of Quarters, Post, Special Post and Separation allowances for one day (June 30th) will be made by Headquarters (or by the foreign station where allowances are computed and paid at the station). All employees at your station should be notified accordingly.

3. Attention is also called to the provision of para. 15.6 of GAI-11 which requires that a new "Application for Payment of Allowances" Form No. 33-22 will be submitted by each employee as of 1 July of each year. Please have each employee at your station prepare as of July 1, 1949, a new "Application for Payment of Allowances" Form No. 33-22 and submit same to Headquarters as soon as possible thereafter in order that we may have the required information for the payment of Quarters Allowances during the forthcoming fiscal year. Foreign Service Form No. 336 may be used for this purpose if Form No. 33-22 is not available.
